People Helping People International Credit Union Day – October 15, 2015

“People Helping People” is this year’s theme that embraces the longstanding credit union philosophy.

Since 1948, ICU Day has been observed on the third Thursday of October as a time to reflect upon the credit union movement’s history and to recognize its achievements. The credit union is more than just a place to finance your vehicle or save for the future – although it’s a great place to do that. The credit union is a not-for-profit cooperative, dedicated to helping you, our member-owners reach your financial goals. All over the world, credit unions exist, not to make profits for a few shareholders, but to improve the financial well-being of all of their members.

“People Helping People” is the essence of the credit union idea from Australia to Zambia to right here in your hometown. That’s something worth celebrating. Happy ICU Day to all of our members!

ALLEGHENY COUNTY DHS HOLIDAY PROJECT

We are pleased to again team-up with Allegheny County Department of Human Services (DHS) to brighten the holiday season for vulnerable children throughout the county.

Beginning in October, gift tags with a child’s name and wish list item will be displayed in the City Co Federal Credit Union lobby. You are welcome to select a gift tag, purchase the gift, and simply return the unwrapped gift, with the gift tag attached, to the gift donation box in the lobby by December 4, 2015. We will take care of making sure that the children receive their gifts for the holiday season.

The children will benefit, of course, but you and your family will take pride from knowing that you put a smile on the face of a child in need this holiday season. Thank you in advance for your generous support of this project. Together we can make the difference!
