PEOPLE HELPING PEOPLE

Going on Vacation? Call Us First!

To protect against theft and unauthorized use of your City Co Federal Credit Union credit and debit cards, we monitor your card activity 24 hours a day. If we notice suspicious activity on one of your cards, we'll need a way to contact you while you're on the road—just to confirm if the activity is authorized.

Before your trip:

- Call our office to let us know the dates of your trip and where you'll be traveling.
- Give us your cell phone number or out of town contact information so a representative on behalf of City Co Federal Credit Union's Fraud Service Center can call you if there is a potential problem.
- Add your e-mail address to your contact information, if you will have e-mail access during your trip.
- If traveling out of the Country, please notify us in advance to turn you card on for international transactions.

If you receive a message from a City Co Federal Credit Union representative about possible unauthorized card use, please respond to our phone call in a timely manner. We will place a temporary hold on your card if we do not hear from you. If you find that your card has been temporarily suspended, simply call to remove the hold.

Enjoy your
vacation!

Help Kids Start the School Year Off Right!

City Co FCU is pledging to collect school supplies needed by children receiving child welfare and homeless services through the Allegheny County Department of Human Services. Please help by filling the City Co FCU school bus that's parked in our credit union lobby with new school supplies appropriate for grades K-12. We need: **#2 pencils, mechanical pencils with #2 lead, pens, erasers, notebooks, pencil cases, scissors, highlighters, glue sticks, rulers, folders, loose leaf paper, calculators, mini staplers and backpacks.** We will be collecting school supplies from July 1 through August 31.

Your donations will help our local children become ready for school and excited to learn. School can be difficult for those lacking appropriate supplies. We want to ensure that these local children and youth start off on the same foot as the rest of their more financially privileged peers.

Let's fill the bus with as many school supplies as we can and help make sure our community's kids start school confident and prepared on their very first day of school!
