

Unsecured Loan Requirements

Dear Valued Credit Union Member:

We appreciate the opportunity to serve you and request that the following information accompany the loan application so that we may expedite your loan request.

- Copy of most recent pay stub
- Copy of co-applicant/co-signer's most recent pay stub (if applicable)
- Proof of additional income, if used (Child support, alimony, part-time job, etc.)
- If for bill consolidation, copy of bills to be paid must be attached (payments to debtors will be made by City CO directly as contingency for loan approval)
- You will be asked to bring your driver's license or passport to closing of your loan

Any missing information on the loan application or missing documentation will, unfortunately, delay processing. Thank you in advance for your cooperation and continued trust!

Sincerely,
The Credit Committee
