Fall 2014

Online Bill Pay

Your credit Union is pleased to announce another new, **FREE** service to our members!

If you're still tracking down your checkbook, searching for stamps and envelopes, then rushing to the post office to pay your bills, you're missing out on one of life's greatest conveniences - Online Bill Pay. Log on anytime and schedule your payments. Name the date you want bills to be paid. The amount is deducted from your account then, and not before. Bill paying gives you complete control of your budget. Plus, no more worries about mail delays and the possibility of resulting in late payment fees.

Online Bill Pay is safe, secure, and simple! It also helps you stay organized by providing a complete record of your bill payments. Our checking accounts are **FREE** to our members and now with Bill Pay they have gotten better. This new service will be available to our members the middle of November. For more information contact the credit union today!

Happy International Credit Union Week October 13-17!

Allegheny County DHS Holiday Project

We are pleased to team-up with Allegheny County Department of Human Services (DHS) to brighten the holiday season for vulnerable children throughout the region.

Beginning in October, gift tags with a child's name and wish list item will be displayed in the City Co Federal Credit Union lobby. You are welcome to select a gift tag, purchase the gift, and simply return the unwrapped gift, with the gift tag attached, to the gift donation box in the lobby by December 5, 2014. We will take care of making sure that the children receive their gifts for the holiday season.

The children will benefit, of course, but you and your family will take pride from knowing that you put a smile on the face of a child in need this holiday season. Thank you in advance for your generous support of this project. Together we can make the difference!

Thank You Veterans!

November 11th is Veterans Day and we, at the credit union, would like to take this opportunity to thank you, our veterans: the men and women who have served their country, allowing us to have the freedoms we enjoy today. Whether they served on active duty or reserve, during peacetime or a time of conflict, they served their country with honor. We also want to thank the family members and thousands of volunteers who have stood by and supported our veterans. We also want to remind you that in honor of our Veterans, our office is closed on November 11th.
